Commissioner for Patents

The reply filed on November 18, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment filed November 18, 2004 is not a proper amendment because the claims do not accurately reflect all the changes made to the claims relative to the prior pending version of the claims. For example, in claim 249, the phrase "said double stranded structure" has been indicated as deleted, however, the prior version of the claims did not recite a double stranded structure. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
